## Money Bank

### Tổng quan nhanh

- **Hạn mức:** từ 1.000.000 - 10.000.000 VND
- **Thời hạn vay:** 7 - 30 ngày

The screenshot shows the Money Bank website interface. At the top, there is a navigation bar with links for 'About MoneyBank', 'Investors', 'How to borrow money', and 'How to repay loans'. There are also language selection buttons for 'Eng' and 'Việt', and an 'Account' button. The main heading reads 'GET MONEY FAST - PUSH THE RED BUTTON'. Below this, there is a loan calculator interface. It features two sliders: one for the loan amount, set to 5,000,000đ, and another for the loan term, set to 15 days. The interface also displays the total payment as 6,312,500đ, the loan amount as 5,000,000đ, and the repayment date as 4th July 2019. A prominent red 'GET MONEY' button is visible at the bottom right of the calculator.
